

The Order of Nine Angles And National Socialism

Introduction

Over the past four decades there has been much speculation regarding whether or not the the occult group the Order of Nine Angles (O9A/ONA) is a neo-nazi/fascist organization.

Many academics who have written about the O9A - from Kaplan to Goodrick-Clark to Senholt {1} - assert it is, as do the majority of journalists who - from whatever political/financial motive or from that desire to sensationalize or trivialize which so dominates most modern Media - have had occasion to mention or write about the O9A and/or the person most associated with it in the public mind: to wit, David Myatt.

The O9A attitude toward the question is, as one might expect, ambivalent. Sometimes they deny the association, claiming that for them National Socialism is simply 'a causal form' - part of a sinister dialectic, of their strategy of disruption - and/or can be a personal 'insight role' for initiates. and/or (and again for individuals) can be a cathartic modern 'heresy'. At other times, they let it be known that - through their Vindex mythos, their praise of Hitler, their denunciation of 'the Magian', and their denial of the 1939-1945 Jewish holocaust - they are if not actively promoting National Socialism then they are propagating and presencing its ethos, and thus 'keeping alive' its pagan essence. {2}

For example, the following quotes are from a thread on a 'White Nationalist' forum {3} and express a view that apparently is common among O9A insiders in regard to National Socialism and O9A 'sinister strategy'.

"It seems that the 'satanic' overtones of the ONA serve several subversive purposes. First, to propagate the heresy - contrary to the magian (Jewish) 'satanism' of Levey and others - that, as I mentioned in a previous reply, "as originally used and meant, the term satan refers to some human being or beings who 'diabolically' plot or who scheme against or who are 'diabolically' opposed to those who consider themselves as 'chosen' by their monotheistic God." Those who consider themselves so 'chosen' are the Jews. Second, to attract a certain type of rebellious young person who is prepared to do stuff - as an 'insight role' or otherwise - that NS and racial nationalist political groups can't do. Third, to propagate a certain mystique, an occult aura, of dangerousness, difficulty, perplexity, and to confuse outsiders."

"If the ONA can, via [the Vindex] mythos and others ways, secretly inspire dozens of people in various Western lands to 'keep the faith' and revere the memory of Adolf Hitler and propagate holocaust revisionism, then isn't that worthwhile, despite what the ZOG media says about the ONA? The reality is that small clandestine ONA groups - in lands such as Russia, Italy, Spain, South America, Germany, and Bosnia - are 'keeping the faith'. Just as the Thule society, and kindred esoteric groups, helped prepare the way for the emergence and the success of Adolf Hitler."

In order to enable readers to judge the matter for themselves I present here a selection of articles and quotes, many of a recent nature, and most of which are written or are by O9A insiders or taken from published O9A texts.

My own view is that when considered together the evidence - that presented here and that available in other O9A texts {4} - is reasonably conclusive.

Furthermore, what is - for me - of especial interest is the fact, uncommented upon by others outside of the O9A, that as DL9 mentions in his posting on that forum

"the ONA state in their text *The Geryne of Satan* that 'as originally used and meant, the term satan refers to some human being or beings who 'diabolically' plot or who scheme against or who are 'diabolically' opposed to those who consider themselves as 'chosen' by their monotheistic God.' Those who consider themselves as 'chosen' by their monotheistic God are, of course, the Jews."

Which historical understanding of satan - and thence of the term satanism - certainly makes the O9A, with their holocaust denial, with their adversity to the Magian ethos and with their championing of National Socialism, a satanist group. It also debunks the egoistic so-called 'satanism' of Howard Stanton Levey and the 'satanism' of his duped Homo Hubris followers.

The O9A, Hitler, Vindex, And National-Socialism

For decades the Order of Nine Angles (ONA, O9A) has been described by many outsiders as a 'neo-nazi satanic' group and as an exponent of 'nazi satanism' {1}.

Such a description, at least exoterically, seems apposite, especially given (i) the O9A's *Mass of Heresy* with its evocation and praise of Adolf Hitler; and (ii) the emphasis on 'holocaust revisionism' {2}, and (iii) the ONA mythos of Vindex and of a Dark Imperium, and (iv) the involvement of Anton Long (aka David Myatt) in neo-nazism for some thirty years, and (v) O9A opposition to everything Magian, including Magian occultism {3}, with one of the 'five core principles' of the ONA being *The Way of Defiance of and Practical Opposition to Magian Abstractions*.

However, given that satanism for the O9A is basically an initiate pathei-mathos {4} and given that the O9A is, esoterically understood, a Western pagan ('sinisterly-numinous') tradition {5}, and given that the O9A Code of Honour makes no mention of ethnicity, then such a description seems – at least to sagacious outsiders – to misdescribe the ethos of the O9A.

Yet, unsurprisingly – given the O9A's Labyrinthos Mythologicus, part of which is the 'sinister game' it has played with outsiders and prospective initiates – the actual truth has been obscured for decades. Which truth was recently succinctly described by an 'insider' – an O9A initiate – of a Balkan O9A nexion:

[The] ONA/o9a is the evolution of the essence behind National Socialism, the evolution of this pagan spirit and lifestyle of our ancestors, that was and is incomparably far from anything that now passes as occult.

This is the 'heretical' truth of National Socialism itself, and especially of Myatt's evolution of National-Socialism as manifest via his Reichsfolk group: of a natural desire for a paganus way of living based on virtues such as arête and a being-with, among, one's own folk and which folk communities are a natural expression of the diversity and evolution of Nature. This is the heretical truth – beyond the artificial division between exoteric and exoteric – of 'clan and tribe': that is, of a love of, and pride in, and respect for one's motherland, and thus being bound by and honouring one's ancestral traditions. This is the truth of personal honour as opposed to impersonal civic law. The truth of a personal and ancestral connexion to Nature. The truth of Myatt's, and the O9A's, Vindex mythos. The truth of what lies beyond – and yet is the essence of – 'the occult': that empathy with Life, with Nature, with the Cosmos, that all abstractions and impersonal cities distance us from and which empathy is, as Anton Long once wrote in a 1970s MS {6}, the only aim of the O9A Rite of Internal Adept and indeed of occult initiation itself.

Which is why Anton Long wrote that:

"By virtue of being a nexion, an individual is connected to the causal presencing that is Nature, and to those living-beings which are manifest in Nature. One such living-being is the folkish-culture, the

folkish-psyche, to which they belong – from which they have come-into-being, as an individual. Basically, this is just a precise way of understanding that all non-Adepts are, or can be or will be, influenced by various unconscious archetypal forces deriving from their ancestors, and their ancestral culture (or way of life) and that, whether they know or not (and they mostly do not know) they are connected to such living-beings. Generally, such a connexion (both unknown and made-conscious) is positive: that is, it tends towards an affirmation of life, and provides the individual with access to certain energies which are beneficial to them." {7}

And why the O9A has always praised the warrior ethos, Hitler, and the Waffen-SS {8}, and propagated the Vindex mythos, and emphasised the idea of a Galactic Imperium; and why the O9A values, and emphasises, both 'the clan' and 'the tribe' and such pagan ancestral European traditions as the Rounwytha.

{2} qv. the 2011 O9A text *Magian Occultism and The Sinister Way*, pp. 39-45, 53-56. The term Magian is defined in the 2011 *Glossary of ONA Terms* in the following way:

The term Magian is used to refer to the hybrid ethos of Yahoud and of Western hubriati, and also refers to those individuals who are Magian by either breeding or nature. The Magian ethos expresses the fundamental materialistic belief, the idea, of Homo Hubris, Yahoud, and the Hubriati, that the individual self (and thus self identity) is the most important, the most fundamental, thing, and that the individual – either alone or collectively (and especially in the form of a nation/State) – can master and control everything (including themselves), if they have the right techniques, the right tools, the right method, the right ideas, the money, the power, the influence, the words. That human beings have nothing to fear, because they are or can be in control. The Magian ethos is thus represented in the victory of consumerism, capitalism and usury over genuine, numinous, living culture; in the vulgarity of mechanistic marxism, Freudian psychology, and the social engineering and planning and surveillance of the nanny State; in the vulgarity of modern entertainment centred around sex, selfish-indulgence, lack of manners and dignity, and vacuous "celebrities" (exemplified by Hollywood); and in the conniving, the hypocrisy, the slyness, and the personal dishonourable conduct, which nearly all modern politicians in the West reveal and practice.

{8} As Anton Long wrote in *The Adeptus Way and The Sinisterly-Numinous* in respect of an archetype which expresses something of the sinisterly-numinous:

"If one desires a more modern, and somewhat more accurate (but still incomplete, imperfect) archetype, there are the warriors of the Waffen-SS, and what they were, of course, rather than what propaganda and lies about them have made them appear to be. But of course it is heresy to state or to claim such things today, which is exactly one of our adversarial, sinisterly-numinous, points."

Editorial Note: The following text is taken from the Order of Nine Angles article *An Introduction to Insight Rôles* and which relatively recent text is included in *The Requisite ONA* and thence in the seventh edition of the *Complete Guide To The Order of Nine Angles* published in 2015 and amounting to some 1460 pages.

An Introduction to Insight Rôles

In order to determine the Aeonic aspect to Insight Rôles it is necessary to understand the current situation that exists in the world, and this esoteric understanding is, currently, itself heretical in all of those countries that make up what has been called "The West". In addition, this esoteric understanding is, of necessity,

independent of "politics" (however conventionally described) although it is only to be expected that the majority of non-Initiates will not comprehend this, and will thus and rather stupidly label this esoteric understanding by some Old Aeon term of other, just as they will most probably continue in their supine ignorance to describe those who possess such an Initiated understanding by some epithet or other.

This esoteric and Initiated understanding is one of dominance by the so-called "New World Order", which basically means the domination of the Magian. This domination over the West – and increasingly other countries – is essentially that of what is often euphemistically called "Zionism" with the reality that most nations in the West are covertly ruled by a Zionist Occupation Government (ZOG).

This situation has arisen from two factors. First, the covert introduction into the societies of the West of Marxist, and Marxist-sociological, values and ideas, Second, from the military and economic dominance of America which is all but now controlled by Zionist interests. In respect of the introduction of Marxism, the societies of the West have been steadily "socially engineered", through laws, through the power of the Media, through government schemes, and through indoctrination spread especially by teachers in Schools and Universities. This "social engineering" has been to produce – and has produced – a plebeian society (lacking in honour and true excellence) and tyrannical governments who rule by that organized protection racket known as State and government taxes, and by the rule of an ignoble and abstract law, which abstract law is the antithesis of the warrior law of personal honour.

The reality is that a world-wide capitalist tyranny has been created, with the peoples of the West made for the most part docile through materialism and "entertainment" and "sport" and "personal pursuits", with their opinions formed for them by The State, its educational system, politicians, and the Media – especially television and newspapers. The individual has become subservient to The State in thought, word and deed. Basically, the individual is now mostly powerless before the might of The State.

Of course, the majority do not see this, duped as they are and have been by The System with its trickery of "democracy" and "rights". In addition, some dissent and "rebellion" is allowed, and even encouraged – so long as it does not threaten in any real way the ideas and the control of The System. Those individuals, groups, organizations who do or who may pose a serious threat to The System are dealt with, often by those organizations being outlawed, and their leaders and members being tried according to some tyrannical State law and put into prison for a long time.

The System – having made itself secure among The States of the West – has recently embarked on the next part of the plan, which is to create a new Empire to ensure the material wealth and military superiority of its leading lackey government, that of the America. To this end, countries have been invaded, and sanctions used to bring others under control.

The System and its lackey States are a serious threat to our evolution – to the creation of free, strong, independent human beings. The System wants – and even demands – that we are or become subservient, to its ways, its laws, its sociological ideas, to the basic materialistic animalistic way of life it allows for its "citizens", a way devoid of real adventure, real challenges, real numinosity. This way is the way of the sub-human.

One of our aims as an esoteric Order is to continue our evolution through creating a higher, more evolved, type of human being – a strong, independent, warrior-like, individual. This individual is the antithesis of the denizens of The State – of the individual in thrall to Old Aeon abstractions and ideas – and in this truth is the essence of the understanding required to appreciate, and know, the current situation vis-a-vis Aeonics and sinister strategy.

For this aim of a new human type to be achieved, we must break-down and indeed destroy the States that make up The System, the New World Order (NWO), as we must challenge the enervating ideas, the enervating ways, of The System, and replace them with our own life-enhancing ideas and ways. If The System is not destroyed, then our evolution will be stifled, and our promise – the greatness, Destiny and glories which await among the Cosmos – will remain unfulfilled.

To destroy The System both magickal and practical action is required, by individuals, and groups. Thus, any group or individual which is engaged in practical action against The System with the purpose of destroying it and challenging its ideas is interesting from the point of view of the Sinister Dialectic and those undertaking an Aeonic Insight Rôle [...]

The following are some suggested Aeonic Insight Rôles, based on a knowledge of the sinister dialectic and the situation as exists at the time of writing (114yf). Some of these suggested Insight Rôles are relatively easy; some are especially hard and dangerous, and thus suited only to the most daring and sinister individuals.

- (1) Join or form a covert insurrectionary political organization – either of the so-called "extreme Left" or of the "extreme Right" – whose avowed aim is to undermine by practical, revolutionary, means the current Western status quo.
 - (2) Undertake the role of assassin, selecting as your opfers those who publicly support or aid, ZOG, the NWO, The System.
 - (3) Convert to Islam and aid, through words, or deeds, or both, those undertaking Jihad against Zionism and the NWO.
 - (4) Join or form an active anarchist organization or group dedicated to fighting the capitalist System.
 - (5) Join or form a National Socialist group or organization, and aid that organization, and especially aid and propagate "historical revisionism".
-

The Practical Esoteric Aims Of Satanism

Editorial Note: The following two Order of Nine Angles (O9A/ONA) typewritten articles by Anton Long are reproduced here in facsimile from volume III of *Hostia*, published in 1992. Both articles were written and first distributed around the same time, the late 1980s, with the main (4 page) article placing O9A support of National Socialism, and holocaust denial, into the correct esoteric, Aeonic, context.

Of particular interest, given the 1980s date of the MS, is the mention of supporting Islam. Also included is an extract from a typewritten letter by Anton Long to 'Lea' written in September 1990 and included in volume II of *The Satanic Letters of Stephen Brown*. The letter places the Satanism of the O9A into context: a causal form, limited to the current Aeon, used to achieve Aeonic goals.

For those interested in the O9A theory of Aeons, it is outlined in the MS *Aeonic Magick - A Basic Introduction* (included in *The Definitive Guide To The O9A*, seventh edition, pp.678-681).

The Practical Esoteric Aims of Satanism: 90-130yf

The practical aims arise from Satanic strategy which has its foundation in Aeonics [qv. the various Aeonics and Cliology MSS - some of the most important are listed at the end of this MSS]. These aims are essentially **tactics** to achieve the long-term strategic goal. This goal is the creation of a new species - and this means (a) a new Aeon; (b) a new aeonic civilization. For this to be achieved, present structures, forms, ideas and so on, have to be changed.

Aeonics shows that the present Aeonic civilization, the Western, has been distorted in its ethos and its structures. One of the most potent forms of the distortion has been the Nazarene religion. The distortion has been carried on, and effectively controlled, by 'Magian' forces - there has arisen various other forms to implement the distortion and effectively undermine the Destiny of the West - that is, the emergence of Imperium. These forms include communism/Marxism/socialism and the idea of 'liberal-democracy': they are all opposed to a racially aware Europe and the idea of Aryan/White superiority. This Aryan superiority would have formed the basis of Imperium - without it, Imperium is not possible.

In essence, the ethos of the West has been changed from a Faustian/Promethean pagan one, which exulted in conquest and exploration, to a neurotic materialism and a 'multi-racial' pacifist degeneracy. There has been a 'silent revolution' in all Western societies and they all now conform to unhealthy Nazarene induced forms - the power structures of these societies now actively seek to eradicate all heretical pro-Promethean ideas/groups/individuals, and use the full force of the 'Law', as well as covert tactics, against those who hold out against the relentless onslaught to enslave the peoples of the West to what are essentially 'Magian' created ideas. Thus the campaigns, in Schools and throughout society, against "racism". To implement this Magian revolution, a myth was created - 'the Holocaust'. In most societies of the West, this myth is a sacred dogma - disbelief being punishable by imprisonment.

Because of all this, an Imperium is increasingly unlikely. The real - ie. esoteric - aim of the Magian is a 'Messianic Kingdom' ruled over by this 'Magian' elite. This would be de-evolutionary, in the Aeonic sense, and effectively wipe out the gains of all hitherto existing Aeonic civilizations. Essentially, the rule of 'Dogma' would hold sway, with terror to support this. This terror is already evident concerning the Holocaust and Aryan racism. The reasoned enlightenment, so evident in the Hellenic and Western ethos, would be displaced by a real despotism - a mentality akin to that imposed upon the West by the medieval 'Witch-finders' and their dogmatic Nazarene zeal. The Magian is a synonym for the Zionists.

This brief overview of the current state of aeonic affairs enable the practical aims, to be achieved/striven toward, to be understood in context. Esoterically, traditional Satanism/the septenary, and thus its **magick**, is an expression of the Faustian ethos and thus the Western Aeon. The other forms of 'Western' magic(k) existing at this time - including the 'Satanism' of groups like the Temple of Set - are expressions of the Magian ethos (as is evident, for example, in their use of Hebrew forms and the 'Qabalah'). Thus the actual 'magick' of these other groups/individuals is **aiding the distortion**. In practical terms, any magickal act, which does not use traditional Satanist/genuine Western forms (such as the septenary) is an action against the reasoned enlightenment that the Western Aeon represents.

On the practical level, it is considered necessary, in order to achieve strategic goals, to support the creation of a Western Imperium - that is, to support those forces trying to undermine in a practical way the current Nazarene/Magian status quo. This means upholding heretical views such as racial inequality, and denying 'the Holocaust' - as well as aiding/supporting National-Socialist/"racist" causes. The tactical aim here is the creation of a pro-Aryan, National-Socialist type State which has a noble, conquering spirit

or ethos, and thus which re-presents Satanic values in action in the real world. An alternative aim is the emergence of a 'religious' form for this same noble, conquering ethos.

In addition, whatever means are necessary to undermine and thus destroy the present status quo must be used. This means disrupting societies - supporting armed insurrection, spreading heretical ideas, aiding those groups/forms which weaken societies from within (in the moral sense - e.g. drug-dealing) and thus engendering a healthy, noble resurgence. A primary aim is to cause chaos, on the streets, economically, and socially - to thus provide opportunities for a revolutionary pro-Aryan group to take or seize power. A magickal and practical aim is to destroy the power structure of America - for that country effectively is acting to maintain a global control in accord with Magian dictates and thus impose the Magian world-view. The real power of the Magian heart-land resides in America and in the control exercised in the minds of Europeans by the idea of 'multi-racialism' and the myth of the holocaust. If the present power structure of America was destroyed, the practical power-base, both financial and military, of the Magian heart-land (ie. Israel) would collapse - what has prevented the destruction of this heart-land by the Arabs is the military superiority given to it by America. No country has ever been able or is able to supply superior weapons to any Arab state not under American control - not the former Soviet Union, not China. America has secretly threatened any country which seems about to do so - and threatened both economically and militarily. Any country which poses a real threat to Magian lands has been dealt with - e.g. Iraq.

With the fall of this heart-land, the Messianic dream of the Magian would be unrealizable.

The next Aeon will be determined by the success or failure of these tactics. That is, for the next Aeon to emerge, and thus for the next Aeonian civilization to arise in around five centuries time, it is necessary to destroy the distortion affecting the present Aeon. Failure to do this will mean the emergence of that civilization will be much delayed - by up to at least a thousand years.

Further, the success of the tactics, and the emergence of an Imperium, means the spread of the present civilization beyond the confines of the Earth - out into Space. This is possible now, and only now, due to the inventiveness of the creative minority within the civilization and the technology to implement that in a practical way. A defeat would mean a hiatus, and thus a starting from the beginnings - effectively, the achievements of this Aeon would be wiped out.

ooo

Traditional Satanism is fundamentally pan-Aeonian: ie. concerned with the patterns and processes which are perceived, in the causal, as Aeons and Aeonian civilizations. However, to effect changes in the causal, actions of individuals and groups (and this includes magickal acts) must work with things as those things are - as they are presented in causal time at particular causal times. The reality of aeonic energies is that they assume causal form in aeonic civilizations, and that at any one millenia, only one civilization is aeonically significant. Therefore, aeonic magick is a working with the aeonic energies presented in the particular civilization at the time of that magickal act(s) - or a working against those energies. Anything else is not Aeonic magick - ie. is not effective on the aeonic level: it is purely personal, external, magick.

The present Aeon is the Western - and this Aeon dates from c.500 eh to c.2000eh in terms of the energies being predominant. The aeonic civilization follows some centuries later: for the West, arising c. 900 eh and ending c. 2400eh. The energies of the next Aeon follow or arise some centuries after the last Aeonian ones: in practice, this means at the end of the civilization of the last Aeon; when the Imperium is collapsing. Thus, the new Aeonic manifestations will arise c.2400eh.

In the past, Aeons arose as part of the unconscious process of dialectical change. However, we are now at the stage of evolutionary understanding when we can alter the process itself because of that conscious understanding which Aeonics, cliology and so on, gives us. That is, we can significantly alter the process of aeonic evolution and thus the civilization which gives form and reality to aeonic energies. The time for such change is when the energies of one aeon are waning, and the energies of the next aeon have not arisen in any significant way.

Left to themselves the aeonic energies would have produced a Western Imperium which would have lasted from c. 1990eh-c.2450eh. A new aeonic civilization would then have arisen c.3000eh, and lasted for c. a thousand and more years.

The reality of aeonic magick means that one must work either with the energies of the Western energies - and thus aid/create an Imperium - or that one works against those energies. At this moment in causal time, no other energies of aeonic type are prevalent on Earth, and no other cultures/civilizations are significant in evolutionary terms. [This statement of reality will not please many.]

Thus, the only practical options for significant magickal work are the ones given above: aiding Imperium (and thus countering the distortion) or working against the creation of Imperium (and thus aiding the distortion). The former option is continuing the evolutionary trend - ie. presencing the sinister; creating a dynamic imperative and thus aiding exploration/conquest/discovery. The latter option is de-evolutionary - ie. it aids those forces which by their nature are restrictive in both the short and the long term. The former is a moving-on; the latter, a dogmatic standstill and then a recession. Of course, the majority of non-Initiates see things differently - they view the distortion as 'progressive' and those arranged against it (e.g. NS type forces) as regressive/reactionary/primitive and so on. Such people have not only failed to perceive the essence of things veiled by their outer transient forms, but also have abandoned rational thought and judgement for abstract idealism arising from sentiment. The majority of such people who view the situation in this sentimental idealistic way, are simply victims of the distortion itself - products of the unhealthy societies which esteem verbiage and clever pseudo-intellectual concepts above judgement based on experience and real insight.

Initiation implies a development of real insight and judgement - and a learning of genuine esoteric knowledge. The esoteric knowledge of Satanism, hitherto secret by nature because it was and is heresy, is essentially a knowledge of Aeonics - of those factors governing evolution/change from aeons to individuals. One insight of a Satanic Initiate is into the forms and structures assumed by aeonic energies in the causal.

This insight means that a genuine Initiate understands a transient form such as 'National-Socialism' as a practical expression of some of the principles of Satanism and as, in the long-term, contributing to evolutionary change via its inherent dynamism and acceptance of the forces of Nature. Such an Initiate understands that, at this moment in aeonic history, such a form is **necessary**: ie. this form (or something very similar) and only this form presences the sinister in the way that sinister must be presenced to achieve the strategic goal of Satanism over centuries.

The current practical concerns of traditional Satanism lie thus with the Western civilization - with aiding those forms which can or do presence the sinister, or which will change societies to the benefit of the sinister. The tactics are geared to this. Thus, an encouragement of Islam in certain Arab states may be a tactic used - because Islam acts to discourage the 'American' materialism which would otherwise flourish, and thus offsets 'American' (read covert Zionist) influence. This in itself poses problems for America and thus the Magian.

However, the aeonic or essential reality, is that Islam is a transient form which like all religions enshrines the dogmatic, anti-evolutionary ethos, and while in the very long-term the goal is enlightenment or Adept-like liberation and thus understanding for **everyone**, the practical reality means that a working with this

particular transient form is tactically right, in order to achieve the goals connected with the present Western civilization and thus the establishment of a new Aeon.

The reality is that there are no easy, idealistic options. A genuine insight and understanding of aeonic matters means certain judgements have to be made: certain tactics have to be employed in order to achieve anything. Satanism is concerned with real, meaningful changes in the real world: it is not concerned with mystical or pseudo-mystical world-views and impractical idealisms. In a fundamental sense, Satanism is pragmatic - aeonically.

The present reality is as stated above - no amount of 'wishful thinking' or idealism or sentiment will change this. One either aids aeonic change and thus contributes toward evolutionary change, or one does not.

On the magickal level, as well as aiding the forces of Imperium and countering the distortion, acausal energies can be presented to begin the process that is the next Aeon. That is, a nexion can be created, consciously, and the acausal energies consciously directed into temporal forms, some of which will be 'magickal'. This is in addition to aiding the present aeonic forms. In effect, these new acausal energies will create the next Aeon and thus its associated aeonic civilization.

This creation is the 'esoteric' Satanic goal of Satanic Adepts - the 'exoteric' goal can be considered to be aiding Imperium and thus fulfilling the wyrd of the West (and hence countering the distortion). In reality - ie. viewed from beyond the opposites inherent in causal forms - the esoteric and exoteric goals are essentially the same: or rather, different expressions of the same things, that is, sinister or acausal energy presencing in the causal and thus creating evolutionary change. However, this 'differentiation' into esoteric and exoteric goals is useful since it enables the tactics to be understood. Viewed another way, the exoteric goal is the short-term esoteric strategy, and the esoteric goal is the long-term esoteric strategy.

Ita lex scripta.

oooooooo

Notes on Study and Practice in Modern Satanism

In traditional Satanism, the novice is expected to not only study the tenets and traditions of Satanism, but also put these into practice in real life. Thus, a recent Satanic Initiate - whether working alone or as a member of an established Order/Temple - would study the following works, and then strive to apply the principles contained in them in the way described.

The works are: ¶The Black Book of Satan;¶Naos;¶Hostia - Vols. I,II, III¶ Hysteron Proteron.

'Naos' would be used as a guide to practical hermetic workings, both external and internal. The 'Black Book' would be used as a guide to forming and running a Satanic Temple to perform ceremonial magick. 'Hostia' and 'Hysteron Proteron' would provide an insight into Satanic traditions and beliefs. In addition, the images of the Sinister Tarot would be employed (e.g. in some of the workings given in 'Naos') and the 'Deofel Quartet' might be read to provide additional understanding, together with The Black Book II and III.

Satanic practice in the real world would arise from (a) forming and running a Satanic Temple; and (b) undertaking Insight Roles and other Satanic tasks. Aside from a specific Insight Role, which the novice would choose, they would undertake the various physical challenges required [qv. the MS 'Adeptship - Its Real Meaning and Significance', for example] and strive to increase their experience by living Satanically in a way which aided the sinister dialectic. What these experiences were, they would decide after having studied the works mentioned and after having undertaken the tasks, ordeals and so on, up to External Adept [qv. 'Naos', and the various MSS Guides to the Seven-Fold Way] - e.g. having run a Temple for some months, and achieved the physical goals.

One of the tasks might be to plan and undertake a culling. Another might be to aid Heretical forms by, for example, becoming involved with an extremist group which seeks the destruction of 'the System' and whose principles and aims are in accord with the Satanic ethos and whose actions aid the sinister dialectic. [Obviously, both of these could be combined.] Another might be to undermine present structures by fostering their decline - e.g. dealing in drugs. Another might be removing in a practical manner on a regular basis, the scum and the worthless - e.g. by vigilante action [this is culling performed on a regular basis rather than a 'one-off' event].

What matters about these tasks is that the novice chooses them to gain practical experience of Satanism in action and thus increase their understanding and so aid their esoteric development. Naturally, to qualify as Satanic actions, they must aid the sinister dialectic - be steps toward realizing the strategic goal of Satanism. Here, an understanding of Aeonics is crucial, as is a genuine insight into traditional Satanism: as explicated, for example, in Hostia I,II,III and as explained to prospective novices in the booklet 'Satanism - A Basic Introduction for Prospective Adherents'.

The choice of practical action is the novice's: they must use their understanding to select Satanic tasks. Occassionally, they might be given advice, from a more experienced Satanist, but the final choices are and must be theirs. What matters is to choose and act. The acts are learning experiences, ordeals, and thus it does not matter if because of, say, a certain lack of understanding, a novice chooses, or seems to choose, wrongly. They will either learn from this, or not. If not, they have basically failed - shown themselves not to be suitable. Whatever, their actions will have presenced the sinister in some way or ways.

Following these tasks - which should last for a few years - the novice then moves on to the next stage of their esoteric development, that of the Grade Ritual of Internal Adept. This is a rite of synthesis, and thus the emergence of the Adept.

ooooo

Extract from Letter:

On the surface, this may seem to have little to do with 'Satanism'. Your reading of 'The Giving' was perceptive, as your letter indicates. Satanism is a form, like any other - a "container" constructed in the causal world to effect certain changes. These are of an Aeonic kind. On the exoteric level, this form is Opposition, Heresy, Change - and also, on this basic level, a re-presentation of certain truths, of a certain spirit, or ethos, or way of living. With regard to the present Western civilization, it re-presents the original ethos, an ethos since distorted by the Nazarene and beliefs deriving from the Nazarene. This Western civilization is the outward expression of the Western Aeon - and this Aeon began in the time that Arthur and Merlin lived: the first practical, outward, effects on a large scale occurred (as they always do) some centuries later.

On the esoteric level, the form does several things - it maintains evolutionary development: the creativity, the inspiration that drives individuals and thence gives birth and maintains civilizations. On this level, it is beyond 'form', beyond transient (causal) opposites - and thus is 'nameless'. In a sense, it is the essence that is 'Satan'.

Thus the exoteric forms - the name, the rituals, the overt opposition to religion, and so on - are effective within the causal confines of those forms: i.e. the civilization. When the causal aims are achieved, another form or forms is chosen/developes naturally. On the practical level, this means that the Order is Satanic for this civilization - to effect changes upon the civilization. When the new civilization arises [if all goes to plan, around 2400 ev] then another outward form will emerge - in fact, it will already have emerged, to prepare the way for what is to be. Until such time, the outward form remains necessary.

There exists beyond whatever outward form is chosen/developes, the essence - and this is what is intimated in 'The Giving'. This essence is always and of necessity, Dark (viewed conventionally) - that is, creative, evolutionary, inspirational. And it always brings Change, Disruption, Opposition and so on. It is not a part of a dialectic process - it is the process itself.

Appendix

Posts and replies about the Order of Nine Angles (ONA) taken from a recent Jan/Feb 2016 thread on a 'White Nationalist' forum and which make very interesting reading. The replies are from someone using the nym Dark Logos who may or may not be the DarkLogos/DarkLogos9 who was hitherto (and possibly still is) associated with the Order of Nine Angles.

Caveat: DL9 has in the past been known - as part of the ONA's 'sinister dialectic' - to spread disinformation and also to engage in trollish tactics in order to elicit responses and thereby spread the ONA mythos and propagandize on behalf of the ONA.

Post:

"Satanists posing as Racial Nationalists/National Socialists are confirming and perpetuating a Jewish Hollywood stereotype. They're doing the Jew's work for them."

DL Reply:

You seem to have missed the point about the ONA and National Socialism, having apparently bought into the depiction of the ONA by the likes of Searchlight.

From the get-go the ONA have propagated holocaust revisionism, have praised Hitler, have encouraged members to join NS groups, with one of their core principles being, to quote Professor Monette, "the Way of Defiance of and Practical Opposition to Magian Abstractions. This principle refers to the ONA's opposition to what it perceives as illegitimate Magian (western Judaeo-Christian) control of global culture and economics."

Magian is ONA code for ZOG.

You et al also fail to understand that "ONA writings state that while Western civilization had once been a pioneering entity, imbued with elitist values and exalting the way of the warrior, under the impact of the Magian/Nazarene ethos it has become essentially neurotic, inward-looking and obsessed, embracing humanism, capitalism, communism, as well as the sham of democracy and the dogma of racial equality".

As for being 'satanist', the ONA state (in their text The Geryne of Satan) that "as originally used and meant, the term satan refers to some human being or beings who 'diabolically' plot or who scheme against or who are 'diabolically' opposed to those who consider themselves as 'chosen' by their monotheistic God." Those who consider themselves as 'chosen' by their monotheistic God are, of course, the Jews. The ONA also state that the English term satanist - historically understood - describes those who adhere to or champion heretical/adversarial doctrines. What is more heretical, these days, than championing National Socialism and holocaust revisionism?

The fact that someone called Howard Stanton Levey in the 1960s hijacked the term 'satanism' to describe his "Ayn Rand with trappings" nonsense and was then hyped and lauded by the media is interesting but not surprising. For both Levey and Ayn Rand were Jewish.

All this is why [to quote from what someone else posted here]

"It would seem that a new young generation of NS activists are now involved in the ONA."

DL:

The fact [is] that political racial nationalism - post WW2 - has so far not succeeded. Just look at the 1970s NF and the more recent BNP. So much promise; so many dedicated activists. So much hope. Where are we now, in terms of the public image of racial nationalism? Where are we now in terms of a society in the UK that is primarily White? Where are we now in terms of persuading the majority of our people that the holocaust was a hoax and that NS Germany was a resurgence of Aryan values and Aryan culture?

Some White nationalists/National Socialists have since the 1970s pursued a different, a non-political, more subversive strategy. Hence groups like Column 88 and the ONA. Here is what Myatt said in a 2005 interview with Aryan Nations:

"In my own life, I have tried to create some things which can disrupt our societies and which can lead to the creation of strong, really dangerous, ruthless individuals - some things which are so subversive that no laws could ever outlaw them, and that attempts to restrain them, to outlaw them, would only make them more attractive to some individuals."

He was expressing the essence of the ONA and its long-term strategy of subversion and infiltration, guided by its anti-Magian ethos.

You and others may well believe that the political route - of political parties, of elections - is still open, still a possibility. Some however do not believe that, and some have not believed that since the 1970s.

Here's what Myatt said in an interview last year:

One conclusion I arrived at was that post-WWII National-Socialism - for the most part - attracted the wrong type of person and that in this respect Colin Jordan had been right all along. For my thirty years of experience revealed that there was not, and never had been, a noble and charismatic leader and that lacking such a leader the constant feuds, the betrayals, the lack of honour, the lack of loyalty, the splits, the spreading of rumours about individuals, the poor quality of some of the people recruited, were all inevitable. For German National-Socialism was Adolf Hitler, an embodiment of his will. One could be loyal to a genuine leader, and do one's honourable duty even unto to death - and remain personally loyal even after a military defeat, as Rudolf Hess, Leon Degrelle, Otto Ernest Remer, and others, had done - but one could not be loyal to, not dutiful to, some ideological Cause, for such ideological Causes were always open to interpretation and misinterpretation. In effect, unless and until someone like Vindex or another Adolf Hitler arose, little of any significance would or could be achieved. For honour was a personal code: how one behaved, in public and in private, and why one was loyal to, and remained loyal to, a person or persons known personally. Thus, my thirty years of involvement - as with the involvement of so many others, post-1945 - can be usefully summarized: *acribus, ut ferme talia, initiis, incurioso fine.*

Which brings us to 'the Vindex mythos' propagated by - and an essential part of - the ONA.

If the ONA can, via such a mythos and others ways, secretly inspire dozens of people in various Western lands to 'keep the faith' and revere the memory of Adolf Hitler and propagate holocaust revisionism, then isn't that worthwhile, despite what the ZOG media says about the ONA? The reality is that small clandestine ONA groups - in lands such as Russia, Italy, Spain, South America, Germany, and Bosnia - are 'keeping the faith'. Just as the Thule society, and kindred esoteric groups, helped prepare the way for the emergence and the success of Adolf Hitler.

o o o o o

DL:

There's an interesting and recent article about the Order of Nine Angles and National Socialism which clearly states that the ONA supports NS. It includes several interesting quotes including this one from an ONA group in the Balkans:

"The ONA/o9a is the evolution of the essence behind National Socialism, the evolution of this pagan spirit and lifestyle of our ancestors, that was and is incomparably far from anything that now passes as occult."

The article is [titled *The O9A, Hitler, Vindex, And National-Socialism*]

Post:

isn't [it] better to be just Pagan than worship satan?

DL Reply:

Insofar as I understand the matter, it seems that the 'satanic' overtones of the ONA serve several subversive purposes. First, to propagate the heresy - contrary to the magian (Jewish) 'satanism' of Levey and others - that, as I mentioned in a previous reply, "as originally used and meant, the term satan refers to some human being or beings who 'diabolically' plot or who scheme against or who are 'diabolically' opposed to those who

consider themselves as 'chosen' by their monotheistic God." Those who consider themselves so 'chosen' are the Jews.

Second, to attract a certain type of rebellious young person who is prepared to do stuff - as an 'insight role' or otherwise - that NS and racial nationalist political groups can't do. Third, to propagate a certain mystique, an occult aura, of dangerousness, difficulty, perplexity, and to confuse outsiders.
